	The initial advice from the SEN Team helped me to understand the Education Health and Care Assessment	The letters and information I received from the SEN Team were helpful, clear and easy to understand.	I knew who was dealing with my EHC needs assessment and how to contact them.	I felt involved throughout the whole process.	I sent my contribution to the EHC needs assessment.	My letters, telephone calls or emails to the SEN Team received a prompt reply.	I felt able to express my views.	My Views were valued and included in the EHCP.
