

POSTER BOARDS (10 MAY 2013)

The Council currently has 48 poster boards across the Island as detailed below.

Persons wishing to use the Isle of Wight Councils boards must be community groups or non-profit making organisations i.e. charity, carnival, amateur clubs etc; no business/commercial use is permitted. The Council have first refusal of use on all boards.

Each event can have a maximum number of 48 posters over a two week period.

As part of their lease, Ryde Arena can use up to 25 boards.

The use of all poster boards is managed (on behalf of the Council) by Andrew Woodford and he can be contacted on 07976 828462. He arranges putting up and taking down of posters and charges per poster; he maintains a diary of all posters displayed.

It should however be noted that all of the boards in Ventnor are now managed by Ventnor Town Council.
