'Helping young people progress'

Isle of Wight
14-19 Area Prospectus
Common Progression

What is the 14-19 online area prospectus?

The 14-19 online area prospectus enables young people to find courses easily. Searches can be made by various methods including by establishment, qualification and location. This will help young people to consider and identify the appropriate opportunities available to them.

Can a young person apply online?

All 14-19 year old students have the opportunity to apply online. Through their establishment they are provided with an unlock code which enables them to use the area prospectus to make an online application.

INFORMATION FOR YOUNG PEOPLE AND THEIR FAMILIES

Before applications are made it is always advisable that the young person seeks careers advice on their chosen pathway.
