Item	<u>Capital Receipts Programme 2009 – 2012 as at January 2010</u>
Decision reference	05/10
Decision taken	Option (i) – THAT the Capital Receipts Programme 2009 – 2012 as at January 2010 is adopted as the way forward for capital disposals for the period 2009-2012.
Reasons for decision	The disposal of Council assets will contribute towards a variety of Eco Island and Isle of Wight Council priorities, including the following: <ul style="list-style-type: none"> • A Thriving Island • A Healthy and Supportive Island • Modernising the Council
Additional reasons	Surplus Council properties that remain vacant can be prone to vandalism and it is therefore in the Council's best interest to dispose of such properties if they are not to be re-used in any way as quickly as possible. This ties in with the Council's Crime and Disorder Agenda
Options considered and rejected	Option (ii) – The Council could decide to do nothing.
Declarations of interest	None
Additional advice received	None Received
