

'Lime in New Build'

A day-long training seminar for anyone working in construction, development or conservation

Thursday Feb 9th 2012

At The Vyne, Sherborne St.John, Basingstoke, RG24 9HL

Come and hear industry experts talk about Lime – what it is, how it's used, how it works and how it doesn't. See case studies of Lime in various mixes, uses and weather conditions.

Price: £30

(includes lunch & refreshments)

Please contact us for information on concessions and bursaries.
