.....

8. Historical or other documentation in support of the nomination
Please attach any documents and information relevant to this nomination and list them below:

At least one of the following criteria must be addressed fully.
Please tick all the boxes which are relevant to your nomination and attach any appropriate details to support your nomination:

- Historic interest**
 - does it relate to an important aspect of local social, cultural, religious, political or economic history?
 - is it historically associated with an important local feature?

 - Historic Association**
 - is it closely associated with: famous local people, local historic events, strong community or social development significance or people? (Must be well documented).
 - does it relate closely to any statutorily protected structure or site?

 - Architectural & Design merit**
 - is the surviving building/structure/park or garden the work of a particular architect or designer which illustrates local or regional architectural history or design?
 - does it show qualities of age, style or distinctive characteristics relative to the area?

 - Survival**
 - does it remain in a substantial and recognisable form?
 - does it retain its historic features and layouts?
 - does it represent an important element in the development of the area?

 - Townscape merit**
 - does it provide an important visual amenity locally? For instance, does it make interesting use of visually significant sites and form a landmark? Is it a notable building(s) on an important route into the area, which creates a vista or contributes to the skyline? Does it emphasise corner sites or provide focal points in the townscape?
-

An expert panel considers all nominations with decisions being based on a majority view. A letter will be sent to you notifying you of the decision. If the nomination is considered worthy it will be added to the Island's local list and will become a material consideration in relation to any relevant planning application. Any application that does not provide sufficient information will be returned.

This form and the supporting information should be sent to:
