

OUTDOOR ARTS AND CRAFTS
An invitation to local artists and crafts people
WEDNESDAY 12th AUGUST 2009
Freshwater Library, 10am-4pm

We invite local artists and crafts people, amateur and professional, to take part in our annual open-air arts and crafts exhibition, to be held on the lawns in front of Freshwater Library.

Each exhibitor will be allocated, on a "first come" basis, an area of c.7ft x 4ft on the lawn, with a table or screen for picture hanging. The display area will not unfortunately provide shelter in the event of rain, so we advise each person to provide their own covers. Please also bring your own chair. Exhibitors are not covered by insurance, so individual cover against accident or damage is recommended.

The artist/crafts person (or nominee) must be in attendance all day, and hang the pictures etc. between 9-10am. (No earlier please!) Each picture must have a cord. Spaces will be allocated numerically in order of receipt of applications, which must be received by 17th July 2009. We are this year charging a reduced fee of £7.00 per space, to compensate exhibitors inconvenienced by the poor weather last year. Please send this amount with your application. Being placed next to other artists is only possible if separate applications are sent together in one envelope. Last minute changes on the day are not possible.

We look forward to receiving your application. In each of the last 14 years we have attracted over 300 local artists/crafts people, and huge local interest. We hope that this year's event will be just as successful. The event is organised by the Isle of Wight Library Service. Further enquiries to Freshwater Library, telephone 752377.

OUTDOOR ARTS AND CRAFTS, FRESHWATER LIBRARY

Wednesday 12th August 2009

APPLICATION TO EXHIBIT

Date of application.....

Name.....

Address.....

Telephone..... Email:.....
