

Admission to Isle of Wight community and controlled schools for children starting school for the first time in September 2015

The Local Authority is responsible for admissions to the community and controlled primary schools on the Island. This section tells you about admissions arrangements to those schools – their names and addresses can be found in the booklet 'Educating your Child'.

There is also one foundation primary school, nine church-aided primary schools and four academies who consider their own applications for admission.

If you are not sure which is your nearest school is, please contact school admissions on 823455 to find out.

At what age can my child start primary school?

By law, every child has to receive full-time education from the beginning of the term following his or her fifth birthday. However, your child can start primary school in the September after they have reached the age of four. For September 2014 your child must have been born between 1 September 2010 and 31 August 2011.

Can I delay my child's entry to primary school?

You can delay your child's entry to primary school to the start of the term following his or her fifth birthday. For example, if your child reaches five in February 2015, you can delay entry until the start of the summer term in April 2015 (**but no later**). However, you must still apply by 4.30pm on 15 January 2015 so we can allocate a school place. It is important that you discuss delayed entry into primary school with the headteacher of your allocated school and the pre-school that your child attends.

If your child is four during the period 1 April to 31 August 2015, but you do not wish them to start school until September 2016, a place will not be allocated at this time. If you want to delay your child's entry in to school it is important that you put in writing to School Admissions your reasons why you wish to delay starting school until September 2016. It is still advisable to apply for a school place in the correct admissions round, as your circumstances may change and you may wish you child to start sooner than September 2016. We recommend that you discuss this situation fully with the headteacher of the school you are hoping your child will attend. Please be aware that although you will have had discussions with the Headteacher of a particular school, we can not guarantee a place at that school in reception for September 2016. Please contact school admissions in July if you have decided to delay your child's entry and wish to apply for a school place for September 2016.

My child is a summer born child, can I delay entry until September 2016 and apply for a reception year place?

Department for Education guidance and the School Admissions Code allow parents to delay entry of their children into the school system. School admission authorities are required to provide for the admissions of all children in the September following their fourth birthday, but flexibilities exist for children whose parents do not feel they are ready to begin school at this point.

School admissions authorities are responsible for making the decision on which year group a child should be admitted to, but are required to make a decision based on circumstances of the case.

There is no statutory barrier to children being admitted outside of their normal year group.

If the child is educated outside of their normal age group whilst in primary school, when the child is due to transfer to secondary school it will be for the admission authority of the secondary school to decide whether to educate the child out of their normal age group e.g. they may require your child to transfer in their academic age group, which may mean a transfer at the end of year 5 or they will be able to transfer at the end of year 6 and will have to commence year 8.

It is recommended that you speak to the Headteacher of the school you are hoping your child will attend.

What happens if my child does not reach the age of four until after 31 August 2015?

Children whose fourth birthday falls between 1 September 2015 and 31 August 2016 cannot be admitted to primary school until September 2016. However, they will be eligible for funding to attend pre-school for the school year 2015/16.

Is my child guaranteed a place at a primary school if they go to the local pre-school?

No, we cannot guarantee that your child will get a place at a particular primary school if he or she goes to the pre-school on the same site. If we receive too many applications for a particular primary school, we will allocate places using the oversubscription criteria of the school.

What about class sizes in primary schools?

There are special rules for admission into primary school reception classes and Years 1 and 2. **The law says that no class in these three year groups must contain more than 30 pupils.** If a primary school has too many applications for the number of places available, we will use the oversubscription criteria stated in the school admissions policy to allocate places.

How do I apply for a place at a primary school for September 2015?

If your child will be four by 31 August 2015 and you would like them to start school in the school year starting in September 2015 you should;

- Apply online at www.iwight.com/schooladmissions.
- If you have ticked that your child is applying for the school under medical grounds and/or is LAC, supporting evidence must also be received by School Admissions and Transport, County Hall by 4.30pm on 15 January 2015.
- If you are applying for a place at a church aided primary school you must also complete their supplementary information form and return it direct to the school by 4.30pm on 15 January 2015.

Alternatively you can request a paper common application form by telephoning 01983 823455.

You should then:

- complete the common application form and return to School Admissions and Transport, County Hall
- If you have ticked that your child is applying for the school under medical grounds and/or is LAC, supporting evidence must also be received by School Admissions and Transport, County by 4.30pm on 15 January 2015.
- If you are applying for a place at a church aided primary school you must also complete their supplementary information form and return it direct to the school by 4.30pm on 15 January 2015.

Please note that we cannot accept responsibility for forms posted, or submitted online, that are not received by the closing date. If you are applying online, once the form has been fully submitted you will receive an email confirmation. If you are completing the paper common application form, we advise you to return your form in good time (with the correct postage – please note that postage is based on the size and weight of the envelope and may need to be weighed at the Post Office) and enclose a stamped addressed envelope so we can confirm it has been received in the school admissions office.

Can I apply online for a school place for my child after the closing date?

No. Once our closing date of 4.30pm 15 January 2015 has passed all applications, or change of preference, must be notified to the local authority in writing. If it is a change of preference, a new application form does not need to be completed you can either send a letter with your changes to

School Admissions and Transport, County Hall or an email to school.admissions@iow.gov.uk.

What address is used for school admissions purposes?

The address you give on the application form must be the one on the Island where your child usually live, e.g., in the case of admissions for September 2015 the relevant address will be where your child are living on **15 January 2015**.

If the child resides with each parent during the week, the address on the application form must be the address at which they spend most of their time.

If there is a dispute over the address of the child, then you must provide a residency order, issued by the court, if you wish us to consider that address.

NB – Any attempt to seek admission to a school on the basis of an address other than the normal family home (even if the other property is owned or rented by you) will be regarded as providing false information and will be treated accordingly (see below)

We cannot offer places based on a possible future address. If you have already submitted your application and you move home, please inform school admissions in writing of your new address. If this change is received by 4:30pm on the 15 January 2015 your application will still be 'on time', if the change is received after 4:30pm on the 15 January 2015 it will be classed as 'late'.

If you are moving to the Island from the mainland, under Inter-Authority working you will need to apply for a place at an Island school via your current local authority. They will inform us of the application.

For families of service personnel with a confirmed posting to the area, or crown servants returning from overseas to live within the area. The application will be considered if it is accompanied by an official letter i.e. MOD, FCO or GCHQ, that declares you will be posted to live within the area.

Parental Responsibility

All parents/carers with parental responsibility for the child must agree on the preferred schools listed. If there is a dispute this can not be resolved by the local authority and until an letter signed by all with parental responsibility or a court order stating the school or who has responsibility for determining the education, any application made will not be processed.

Please note: If the application is not made and agreed upon by the closing date it will be classed as 'late' and will not be processed until after all 'on-time' applications. This could mean that your preferred schools/s are full and your child will be placed in the nearest school with vacancies.

How many schools can I state a preference for?

You can state a preference for **three** primary schools including foundation trust, church aided and academy primary schools. It is important to consider naming your nearest school as one of your three preferred schools. If you do not do so, you may be offered a place at a school some distance from your home address if your three preferred schools are over subscribed and we cannot offer you a place at any of these.

By law we have to consider applications we receive by the closing date first. If you apply later, even a day later, we will not consider your application until after we have considered those we received on time, even if you live in the priority area of your preferred school.

What happens if I give false information to get a place at a school?

We thoroughly check all applications. If we discover that you have used false information (such as an incorrect address or date of birth) after we have offered your child a place, we will withdraw that place.

How are places at a school allocated?

Pupils with special educational needs who have a particular school named in their statement must be admitted to the school. For further information please contact the special educational needs section on (01983) 821000 or email: SEN@iow.gov.uk. All children allocated a place will be included in the admissions number of the school.

Further preferences for community and controlled schools will then be considered by the local authority on the basis of the criteria listed below.

Preferences for foundation trust, aided and academy primary schools will be considered by the school's governing body on the basis of the school's admissions criteria. After all your preferences have been considered and if more than one place can potentially be offered the single offer is for the school ranked the highest on your application form.

Where applications for admission exceed the number of places available (both in the normal round of admissions and for in-year admissions) and after the admission of pupils with Statements of Special Educational Needs where the school is named in the Statement, the following criteria will be applied, in the order set out below, to determine which children to admit:

1. A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, residence, or special guardianship order¹. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989).
2. Pupils with a specific medical condition, confirmed and supported by a registered health professional, which makes a particular school the most appropriate. (Any application for a place at a particular school for medical reasons must be supported by independent medical evidence from the registered health professional and must be supplied by the closing date of 4.30pm on 15 January 2015.. The evidence must name the school and state the reasons why attendance at the school is essential and the difficulties that would be caused if the child had to attend another school).
3. Children who at the time of application have an elder sibling who is already at the school and who will still be in attendance at the school in September 2015;
4. Children for whom the school is the nearest primary school to their home address at the time of application.
5. Controlled schools only: - Pupils for whom the school is not the nearest primary school to their home address at the time of application but whose parents ask for a place for religious reasons. (Any application for a place at a particular school for religious reasons must be supported by a letter from your church minister by the closing date of 4.30pm on 15 January 2015, confirming that your family attends church at least once a month and has done so for the last six months or more before you made the application).
6. Children for whom the school is not the nearest primary school to their home address at the time of application.

¹An adoption order is an order under section 46 of the Adoption and Children Act 2002. A residence order is as an order settling the arrangements to be made as to the person with whom the child is to live under section 8 of the Children Act 1989. Section 14A of the Children Act 1989 defines a special guardianship order as an order appointing one or more individuals to be a child's special guardian (or special guardians).

If there are more applicants than remaining places within any of the above criteria the home-to-school distance will be used as a tiebreaker with those living closer being offered places first.

We will measure in a straight line using the local authority's geographical information system (GIS) from the centre of the building of the home address to the centre of the school building, with those living closer to the school receiving the higher priority.

In the event of a tie between two or more children when applying home-to-school distance as a tiebreaker and where there are not enough places available to offer all those children a place at

the school, a random allocation will be carried out by the Local Authority. This will be in the form of a 'lucky dip' which will be overseen by an independent person from the Corporate Governance Team.

Home-to-school distance will be measured in a straight line using the local authority's Geographical Information System (GIS) from the centre of the building of the home address to the centre of the school building.

If only one place at a school is available within the admissions number and there are multiple birth in the family who have the next highest priority within the oversubscription criteria, we will offer places to both.

If the distances are equal (for example with a block of flats), lots will drawn by an independent person to determine the allocation.

What happens if I return the form late?

If you return the form after the closing date, even a day later, and the school is full as a result of applications sent in on time, your child will not get a place there. If this happens you can appeal. Also, your child's name will be placed on a waiting list in a community or controlled school or you can request to be placed on the waiting list of a foundation trust, aided or academy school.

What happens if I want to change my preference after the closing date?

We recognise that some parents may wish to change their preferred school(s) after the closing date due to, for example, moving house. If you wish to do this you should write to the school admissions office at County Hall immediately or email your updated preferences to school.admissions@iow.gov.uk. You cannot apply on-line for a change of preference after our closing date of 4.30pm on 15 January 2015. Please remember, however, that your application will be treated as late and children of parents who have applied for a place at a school by the closing date will have priority for admission over those who change their preference after the closing date. This means that, even though you may have moved closer to another primary school, your child may not get a place there if it is already oversubscribed. If this happens you can appeal. Also, your child's name will be placed on a waiting list in a community or controlled school or you can request to be placed on the waiting list of a foundation trust, aided or academy school.

When will I hear whether I have got the place I wanted?

We will post the letter, from our office, with the result of your application on 16 April 2015 (National offer day for England). If you applied online for a school place for your child the result will also be emailed to you on this date, as long as you did not opt out of receiving information from the Isle of Wight Council.

My application has been refused – can I appeal?

If we cannot offer your child a place at your preferred schools, you can appeal to an appeals panel which is totally independent of us. A 'Notice to Appeal' form appeal form will be enclosed with the letter you receive. If you applied online and have requested a reply by email you will be able to download or complete an appeal form online at www.iwight.com/Residents/Schools-and-Learning/Education-Appeals/Tasks and the booklet which explains how to make an appeal from our website at www.iwight.com/Residents/Schools-and-Learning/Education-Appeals/Appeals-Timetable and click on the 'Appeal Guide for Parents' tab. As well as making your appeal in writing, we recommend that you go to the appeal hearing to present your case. You can bring a friend to support you. The decision of an appeals panel is binding on us.

In exceptional circumstances, a second appeal may take place if you are able to provide new evidence which could not have been introduced at the time of the original appeal hearing.

Can I put my child's name on a waiting list?

Children refused a place (or places) at their preferred community or controlled school will be automatically placed on a waiting list for that school unless you specifically request that this must not happen. If you have been refused a place at a foundation trust, aided or academy school, you

must write to the school to request your child is added to their waiting list. Your child will be removed from the list only on obtaining a place at the preferred school or at the end of the school year. If you subsequently accept a place at an alternative school, you will be asked if you wish to remove your child from the waiting list at your preferred school. In July a form will be sent to you to complete and indicate if you wish your child's name to remain on the waiting list. If you do not return this form by 31 August 2016 your child will be removed from the waiting list.

Where your child is placed on the school's waiting list depends upon the oversubscription in the school admissions policy. We do not give priority on a first-come first-served basis. If you apply late but live very close to the school, your child may go to the top of the waiting list or very near to it. Please remember that your child's position on the waiting list can change, moving up or down as others join the list or are removed from it.

Children who are the subject of a direction by a local authority or who are allocated a place in accordance with the fair access protocol will take precedence over those on a waiting list.

Waiting lists for September 2015 admissions will be established for the first time on 7 May 2015.

If you want to know where your child is on a waiting list you can contact the relevant admission authority (local authority or school). The Isle of Wight Council maintains waiting lists for its community and controlled primary schools.

What happens if I move house after I have received the offer of a school place?

If you have received a letter offering your child a place at your preferred school, and you then move house, you can keep that school place. Please remember, though, that you may be responsible for travel arrangements (including bus fares) to that school. If you would like to state a preference for a different school, please contact the school admissions team in writing or by emailing school.admissions@iow.gov.uk.

Fair access protocol

The Isle of Wight Council has a 'fair access protocol' which gives priority to admissions for certain categories of school age children. This protocol relates to admissions throughout the year. The protocol will take priority above the school's admission policy for those on a school's waiting list and the local authority may require schools to admit above their published admissions number. The policy can be found at www.iwight.com/schooladmissions.

Distance

Distance for the allocation of school places will be measured in a straight line by the local authority's geographical information system (GIS) from the centre of the building of the home address to the centre of the school building with those living closer to the school receiving the higher priority. If distances are equal (for example with a block of flats) lots will be drawn by an independent person to determine the allocation.
