Apprentice Software Engineer	Rapanui
<p>Our apprenticeship programme takes young people from the Isle of Wight who love solving problems &amp; who understand the basics of code, and turns them into professional web developers: of our last 5 coding apprentices, 5 were offered full time jobs. Training is on-the-job: apprentices write code for real projects that make a real-life difference, whilst receiving high quality coaching from more experienced members of the team. However, we're not a charity - to make a success of your apprenticeship, you'll be required to keep up a personal reading and practice routine that's not for the faint hearted. There's a lot to learn in 1 year. We operate a 9-5, Monday to Friday routine with paid holiday to help apprentices adapt to working life. Our headquarters, where apprentices are trained, is in Freshwater on the Isle of Wight in a newly refurbished factory. Applicants should have GCSEs of C or above in Maths, English and IT. A basic acquaintance with HTML, CSS and any server-side language at hobbyist level are required. Basic knowledge in PHP / MySQL would be very helpful to get off to a fast start.</p>	
<p><b>If you are good at solving problems, love coding, and are willing to invest in yourself – we'd love to hear from you! For further details please visit <a href="http://www.rapanuiclothing.com/jobs">www.rapanuiclothing.com/jobs</a></b></p>	

Manufacturing Apprentice	Rapanui
<p>We're looking for an ambitious, hardworking Apprentice to join our fast paced manufacturing team in our factory learning how to print t-shirts to a professional standard, gaining an NVQ in the process leading to a career at our growing high-tech company. The ideal candidate will be a hardworker, practical and with a desire to make quality products in a fun, fast paced environment. They must be diligent and have a strong attention to detail and fit in well with our young team. A get-up-and-go, can-do attitude to learning is essential. Demonstrating maturity and a desire to learn and grow skills will strengthen an individual candidate's application. No previous experience needed as day-to-day training is provided in house.</p>	
<p><b>If you'd like an exciting year of learning, to earn a qualification and build a career at one of the most exciting companies on the Isle of Wight – apply now!</b> <a href="http://www.rapanuiclothing.com/jobs">www.rapanuiclothing.com/jobs</a></p>

## Mechanical Apprentice

## Southern Water

### **Are you looking for a challenge and an excellent opportunity to start your career within a renowned Utilities Company?**

Southern Water are launching their 2018 Mechanical Apprenticeship Scheme. This role offers a starting salary of £13,500 (first year) along with comprehensive training and mentoring.

Southern Water operates in the South East of England and employs over 2000 people. At Southern Water we are not only passionate about water we are passionate about developing the people who work here and have a wide range of training opportunities. We also like to get involved in the communities we serve and since 1992 we have run programmes which have taught over 750 000 children to swim. We also support local charities as well as an overall company charity which currently is Kent, Surrey and Sussex Air Ambulance.

We are currently recruiting mechanical apprentices who are interested in a varied and practical career in the water / wastewater industry who will be able to handle the demanding technical training of a 4 year advanced modern apprenticeship.

The apprenticeship scheme at Southern Water offers apprentices a permanent role leading to a job as a Mechanical Technician. On completion of the apprenticeship you will achieve an NVQ level 3.

### **The first year of the apprenticeship will be a residential training programme (Sunday to Friday). The residential establishment will be in the South East of England.**

During the remainder of the apprenticeship, apprentices will be based in their county working with a Mentor to complete their apprenticeship. Mentors will be experienced Mechanical Technicians who are selected for their knowledge of the Company and their job, providing a guiding presence during training. In addition to their Mentor, apprentices will also be supported by their team members, our apprenticeship programme lead as well as our specialist training provider. We require our apprentices to have, or expect to achieve a minimum of 5 GCSEs (grade C or above /or equivalent), including Maths and English. An interest and / or skills in mechanical would be a distinct advantage. They should not be colour blind. As we cover a large area in the South East, successful applicants must obtain a full driving licence before the end of their apprenticeship and we will support them by reimbursing the cost of 10 driving lessons.

Modern Apprentices are paid on a developing scale throughout their apprenticeship, starting on £13,500 apprentices will receive incremental increases each year subject to satisfactory performance. Apprentices will also be entitled to join our pension scheme, 25 days annual leave, PPE and tools. If you are successful then employment will commence on 28<sup>th</sup> August 2018.

If you are a current Southern Water employee, please confirm within your application that you have informed your line manager that you are applying for this role.

Southern Water is an equal opportunities employer and does not discriminate on the grounds of age, race, gender or disability; complies with all relevant UK legislation.

All applicants must be eligible to live and work in the UK. You will need to provide evidence of eligibility and current proof of address (dated within the last 3 months). If you do not meet these criteria your application will not be considered.

**Please send your CV to: [Daisy.Doyle@gattacapic.com](mailto:Daisy.Doyle@gattacapic.com)**
