Software Engineer Apprentice	Teemill
Our coding apprenticeship programme takes people who love solving problems and who understand the basis of code and turns them into professional web developers. Of our last 7 coding apprentices, 7 were offered jobs after the year long training course. Training is on the job; apprentices write code for real projects that make a real life difference, whilst receiving high quality coaching from experienced members of the team. However, to make a success of your apprenticeship, you'll need to supplement your training with reading and practice. There's a lot to learn in 1 year. We operate a 9-5, Monday to Friday routine with paid holiday to help apprentices adapt to working life. All apprentices are given a free bus pass.
